**CREDIT CARD CHARGE REQUEST  
AGREEMENT OF PRIVILEGE TO USE CHARGE CARD**

Please note that you are being given the courtesy to use your credit card/debit card instead of another guaranteed form of payment. If you have any problems whatsoever with our services, as per the **TERMS AND CONDITIONS** this claim must be submitted directly to us in writing. This is the law.

You cannot put a stop payment or dispute on a credit card/debit card charge as this violates the service agreement. This contract is governed by state laws and regulations. Should you attempt to put stop payment on any or all of your charge being made today, you will be assessed an administrative charge of \$200.00 against any claim made directly to your credit card/debit card provider due to an additional unnecessary burden put on our personnel. Our personnel will dispute your action and clarify to the credit card/debit card provider that you have a contract concerning claims procedures and that you can not stop payment on services already provided. By signing this authorization, you are agreeing to all terms stated herein.

Your credit card/debit card will be charged the second half of payment after we confirm that you are enrolled in school and we have notified you of the impending charge via phone, mail, or electronic. This charge could be switched to a different credit card/debit card provided by you, if you should choose.
